

CTHA's first "Texas Hold'em Poker Tournament Fundraiser for Trails is a success!

On Saturday, 1/26/13, 51 hopeful poker players were seated as the tournament director announced "Shuffle up and deal". Over 4 hours later we had our final 3. The tournament was held at Stars and Strikes Family Fun Center in Cumming and each player set out to prove they were the best. Lady Luck can be elusive and many can attest to that fact, but she held true for our top 3 winners.

Matt Bennett and Dave Corvacchioli "chopped" for 1st place, each walking away with a check for \$750 and CTHA member Susan Bruno won 3rd place and a \$250 check.

Thank you to all who donated online and to all who came and played. You helped make CTHA the biggest winner of all with \$1200 raised for our trails!
