

*It is with great sadness to announce the passing of Ellen Stara
August 7th, 2018.*

*Ellen was a founding member of CTHA and the Friends of
Garland Horse Trails. Her dedication and volunteerism resulted
in significant improvements in horse trails and horse facilities, not
only in Georgia, but throughout the Southeast. Her passion for
horses and the friendships she made will be deeply missed by all
that knew and loved her. The horse community lost an icon, leader,
and friend.*

*In lieu of flowers, she has requested donations be made to the
Friends of Garland Mountain Trails*

*P.O. Box 164
Waleska, GA 30183*

*Not gone...
just waiting patiently at the end of the trail.*
