*Everyone is welcome - young and old. Work at your own pace, every little bit helps. One work party a year is all we ask. We'll provide lunch, tools and know-how to those who RSVP. Hardhats/helmets & closed toed shoes are required by USFS. We usually end the day with lunch around 1:00 pm.*

*Help keep Jake & Bull Mountain trails in great shape. Show the U.S. Forest Service you support your trails! Volunteers are the primary way these trails are maintained and created. If you race here, some promoters give discounts for volunteering. Check with your event organizer for details.*

*You'll have fun, make new friends and have a sense of accomplishment that you've done your part to keep these trails open. Together we make the best place to ride in North Georgia!*

*You do not have to be a CTHA or NE GA SORBA member to participate but your membership strengthens both organizations. Please JOIN!*
