

VOLUNTEER INCENTIVE PROGRAM

V. I. P.

December 2014-November 2015

The objective of this program is to not only increase member participation, but to reward those who generously donate their time, but do not qualify for established workday (Work Horse) and ride (Frequent Rider) programs.

The volunteer period will run from December 2014 through November 2015. The awards will be presented at the Annual Holiday Party in December 2015.

There are 2 award levels consisting of 12 hours and over 20 hours of volunteer time at CTHA Events.

Below are the ways in which hours can be accumulated and each is worth a 4 hour volunteer credit

- ❖ Work at a Fundraiser/Poker Ride (6 hour credit for those who volunteer for the entire event)
- ❖ Host a CTHA event at your farm
- ❖ Lead a Camp Ride
- ❖ Lead a Day Ride
- ❖ Participate in a Trail Workday
- ❖ Donate lunch to a Trail Workday

Everyone has an opportunity to participate and accrue hours. Award levels are attainable. Take note that serving on the board is **NOT** included, although it is the toughest category to find volunteers.

We will be announcing the prizes for the 2 award levels once the details are finalized.
