

DON CARTER STATE PARK HORSE TRAIL WORKDAYS

Below are the **2018** scheduled workdays:

October 13
November 10

Below are the **2019** scheduled workdays:

January 12
More workdays to be announced soon.

9:00 a.m. arrival time / 9:30 a.m. start time

You do not have to be a CTHA member to participate. Everyone is welcome.

Work at your own pace, every little bit helps. We will provide tools and the know-how. We usually end the day with lunch and beverages around 1:00 p.m.

Help keep these beautiful trails in great shape and show the State Park Service you support these trails. **State resources are limited, volunteer help is the primary way these trails are maintained.**

You'll have fun, make new friends and have a sense of accomplishment that you've done your part to keep these trails open and in great shape.

Together we'll have the best place to ride in North Georgia!

**Questions or to RSVP email Bobbie Byers at bobbiebea2@gmail.com
(Please RSVP for a lunch count and any cancellation notice)**
